In C++, is it legal for me to acquire a mutex, then immediately make another thread call unlock on the mutex, which will in turn cause the thread that had been waiting on the mutex to proceed with its next block? I've tested this with a toy program, and it seems to work as expected, but I'm not 100% sure if this is guaranteed behavior. A: The thread will proceed with its next block, but it's not guaranteed that it will enter that block, since the wait could be preempted. BAFTA 2016: Octavia Spencer wins for Hacksaw Ridge Octavia Spencer accepts the best supporting actor prize for "Hacksaw Ridge" at the BAFTA 2016 awards. LOS ANGELES - Octavia Spencer won a BAFTA prize for best supporting actress for her role in Hacksaw Ridge, the drama about a conscientious objector during the second world war who later becomes the most decorated U.S. soldier of the conflict. Spencer, who received the award on Sunday at the awards ceremony in London, said, "I'd like to thank God for my mothers-in-law, my brothers-in-law, my sisters-in-law, my nephews, my godson and his mother, my cousins and my friends. To all of them, I am indebted." Her fellow winners included three stars who had previously won BAFTAs: Colin Firth, who won for his performance in The King's Speech, Julianne Moore for her role in Still Alice and Helen Mirren
